

## MOVEMENT TOWARDS EDUCATION AND YOUTH EMPOWERMENT – SIERRA LEONE

This document explains Vision, Mission & Objectives. Key Beneficiaries and high-level approach in achieving our objectives.

### MESSAGE FROM THE EXECUTIVE DIRECTOR

Every social organisation intends to deliver high community impact results. Movement towards Education and Youth Empowerment – Sierra Leone has deep trust in the need to put young people, children, women and vulnerable families at the centre of their own transformation, believing in the capacity for them to initiate and promote processes that can eliminate factors that inhibit their holistic development with the determination to work as a unit and to increase their self-reliance capacities.
